RE
LEAVE OF MR S SRINIVASA RAO SANITARY INSPECTOR
HARIHAR TOWN MUNICIPALITY

---.---

With reference to your letter No L 2917/Ml dated 4th September 1943 enquiring whether leave of 16 days from 21st March 1943 and of 4 weeks from 20th April 1943 has been sanctioned I have the honour to state that Government sanction has been requested only for the period for which no medical certificate was produced

The Sanitary Inspector has been on leave from 21st September 1942 Three months combined leave from that date was sanctioned in this Office No HES 469 dated 28th November 1942 The subsequent three months' extension was sanctioned in Government Order No L 976-8/Ml 55-42-92 dated 23rd July'43 The Sanitary Inspector was due on 21st March 1943 but he extended the same by 20 days on the strength of a medical certificate from the Medical Probationer Local Fund Dispensary, Nanjangud He again applied for extension of the leave by further one month and ten days' producing a medical certificate from the Medical Officer Palace Hospital dated 20th April 1943 The official applied for further extension of one month and 15 days on the strength of a medical certificate He has since produced a certificate of fitness and has been transferred to Harihar Town

From the above it will be seen that for the period from the 6th to 19th April 1943 which was not supported by a medical certificate Government sanction was necessary under economy orders As regards the rest of the period which is supported by a medical certificate the admissible leave will be sanctioned by this Office

I have the honour to be
